\* Indicates verified record swims that have been recorded since the latest [USMS Rule Book](#) publication. The fastest of these swims in the current year will be recognized in the following year's Rule Book. All swimmers who swim a verified time faster than the record time in the current Rule Book are eligible to receive a record recognition certificate from TYR.

Please submit all record documentation along with a completed [Record Submission Form](#) for all swims that are faster than the current records as published in the current [USMS Rule Book](#).
