SANCTIONED FOR USMS INC. BY MICHIGAN MASTERS SANCTION # 1912-007S  
FRIDAY - SUNDAY, March 23 - 25, 2012 LAKE ORION NATATORIUM**

**HOST ORGANIZATIONS:**

Lake Orion High School and the Lake Orion Liquid Lightning Swim Team are the Host Organizations for the 2012 Michigan Masters State Championships. We are looking forward to an exciting weekend and a well organized event for participants and spectators alike. This is the second State Championship Masters Swim Meet held at the Lake Orion Natatorium.

**FACILITIES:**

Lake Orion Natatorium is a 25-yard, 11-lane pool; 8 lanes are used for competition. A separate 4-lane pool will be available for warm-up/cool down during all of the events. Depth at the start is 7 feet and 9-13 feet at the turn. Permanent starting blocks and non-turbulent lane markers will be used. Swimmers must enter the water feet first in a cautious manner during all warm-ups/cool downs. Diving is permitted only in the designated sprint lanes. Lockers are available and you must bring your own lock. There is ample balcony seating for swimmers and spectators.

**RULES - ELIGIBILITY:**

USMS rules apply and will be observed. All swimmers will be required to enclose a photo copy of their 2012 USMS card with the entry form (sent in entries). **Any swimmer who is not USMS registered for 2012 by the State Meet entry deadline will NOT BE ALLOWED TO SWIM IN THE MEET.**

A swimmer not registered with Michigan LMSC cannot establish a Michigan State Record. Any swimmer registered in the meet CAN set a MEET championship.

**TIMING:**

Timing system is a Colorado system with electronic and manual back-up with an 8-lane display scoreboard with start and recall. All events (except some heats of the distance events) will be timed using this system. Manual back-up timers will be provided at each lane. Swimmers are encouraged to hit the pad firmly and, when swimming in relays, to remain clear of the finish area until the event is completed by all swimmers. Any swimmer or relay attempting a NATIONAL RECORD should alert the Starter and make sure there are the required three manual timers as backup. Swimmers are required to supply their own lap counting personnel in distance events.

**AGE GROUPS:**

Age on March 25 (last day of the meet) determines his/her age for the entire meet. Individual Events: 18-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, etc. through 100+. Relay Events: 18+, 25+, 35+, 45+, 55+, 65+, 75+, and 85+

**ENTRY DEADLINE:**

Swimmers (Individual and Relays) using paper entries must have their entries postmarked by March 15, 2012. All paper entries postmarked after March 15, 2012 will not be accepted and will be returned to sender.

**SEEDING:**

Seeding will be slow to fast for all events. Distance events will be deck seeded after check-in time has ended for that day (see Entry Procedure Distance Event – next page) Men and Women will be seeded separately, except in the distance free events, into heats according to seed times. No time entries will be in the slowest heats. Consult the heat sheets that you will receive at the meet check-in for your heat and lane assignments. It's the swimmers responsibility to report to the proper heat and lane. Failure to appear will be considered a scratch and you will not be allowed to swim in another heat of the same event. The Meet Director reserves the right to RESEED the distance events if there are a significant number of scratches after check-in to eliminate the use of empty lanes during the swimming of the event.
