(3/24/12) In addition, MI-LMSC will not sanction a regular season meet that includes the words state championship in the meet title, or that otherwise diminishes the importance of the MI-LMSC Masters Swimming State Championships. (4/6/16)

6.2.1.2 **Applying to host a meet/event.** Contact the Sanctions Officer to make application to host a meet/event on a preferred date. Priority for approving meet dates will be extended to prospective meet hosts

who make application by July 1 to host a meet in the fall (September through December), by October 1 to host a meet in the spring (January through April), and by April 1 to host a meet in the summer (May through August). Applications received later than these deadlines will be considered if there is room in the schedule for an additional meet/event. (3/24/12)

6.2.1.3 **Conflicts.** If more than one prospective meet host requests the same date for a regular season meet/event, the Sanctions Officer shall first try to resolve concerns by speaking with the prospective meet host(s), and if unsuccessful shall refer the matter to the Review Committee. (3/24/12)

6.2.2 **MI-LMSC State Championships**

Bids must be in writing as attachments to electronic mail. (3/24/12)

Bidders are encouraged to prepare formal presentations to enable members to make informed choices about proposed dates, facilities, host community, and meet personnel. (3/24/12)

Meet/event hosts, especially first-time hosts, are encouraged to consult with the Sanctions Officer for assistance in preparing these documents before seeking a sanction. (4/6/16)
- 6.3.3 **Approval by MI-LMSC Sanctions Officer.** The USMS online sanction request process is not complete until the meet host receives written approval and a sanction number from the MI-LMSC Sanctions Officer.
